LIKE RECEIVING AN UNEXPECTED GIFT

We want just a few simple things. We want our hotel to be like a little present we give our guests. We want to delight and surprise at every turn – to offer the very best accommodations, service, food, and amenities, all in a truly unique setting.

The Exeter Inn is a Georgian-style mansion built in 1932 as a gift to the Phillips Exeter Academy and positioned to provide the best accommodations of the day for dignitaries, weddings, special events, and high social events for the community. Built in a time of grace and charm, the Inn projects its heritage through its enduring style and architectural distinction. The Exeter Inn offers a variety of options to both dazzle your guests and fit your budget – ranging from receptions, ceremonies, rehearsal dinners, showers, and even post-event family brunches. Our highly trained and experienced staff members are here to make your event personal, special, and as grand as you desire.

Tucked away in the historic town of Exeter, New Hampshire, The Exeter Inn is the quintessential New England experience. Stroll out the front entrance of the Inn to the downtown center, where you will find shops, restaurants, historic buildings, and the Exeter River.

We are delighted that you are considering The Exeter Inn for your wedding day. As you finalize your plans for a lifetime together, it would be our privilege to assist you in making your dreams come true. Your wedding will be one of the most important events of your life, and you deserve your special day to be everything you have always envisioned.

DELIGHTS AND SURPRISES AT EVERY TURN

A welcome alternative to traditional franchised hotels and small local B&Bs, this Georgian mansion property delights guests with its charm and surprising touches throughout: evening turndown with a special treat that changes nightly, plush terry robes in every guestroom, and over 110 wines available with more than 20 by the glass.

The culinary staff of Epoch Restaurant and Bar provide all food and beverage services at the Inn. Featuring local, organic, and preferred-choice products, our culinary team takes care to ensure that every meal we prepare is the best that New England has to offer. Our personal service is friendly, accommodating, and professional. Our beautiful surroundings are accompanied with upscale dinnerware and fine crystal glassware. Our experienced staff will guide you every step of the way as you plan your wedding celebration.

The Daniel Webster Ballroom is perfect for your wedding reception, with high ceilings, ornate woodwork, Palladian windows, French doors opening onto our Great Hall, antique chandeliers, and rich furnishings. Consider the Great Hall for your cocktail hour prior to dinner, or perhaps make use in season of our exterior Courtyard with its stone patio, all-white pergola, plantings, and gazebo.

We have several other mid-size and small executive private rooms that are perfect for a variety of private social or business events.

We want you to be wowed from the moment you walk through our front door. To feel special as you walk down the staircase into the Great Hall and appreciate the expansive windows, antique chandeliers, and French doors of our Daniel Webster Ballroom. And feel the elegance, charm, and sophistication.

We are confident you will enjoy the \$5-million renovation we have recently completed, improvements that revitalize the Inn with Ralph Lauren-style, state-of-the-art amenities, and sophisticated service. Included are upscale furnishings for each of the 46 guestrooms, sparkling all-white stone-finished bathrooms, 32-inch LCD screen TVs, rich, high-thread linens, plush bedding ensembles, and wireless Internet service. At the center of it all is a cozy bar - carved seamlessly into what was formerly the hotel lobby and framed by racks of wine and the irreplaceable architectural millwork that has always been the hallmark of this landmark property. Enjoy the rich blend of warm colors, inviting fireplaces, and Ralph Lauren furnishings - a seamless blend of the old with the contemporary and so comfortable (like it has always been this way).
